Re: Monthly Report – September 2009

Report Summary:

Crime data and monthly departmental activity is summarized with a historical perspective.

Comparative Data:

Assaults increased 25.58 percent, burglaries decreased 43.14 percent, and thefts decreased 26.29 percent bringing the overall total of the May Uniform Crime Index Offenses to 213 compared to 271 in August. This brings the total offenses for 2009 to 2,312, only 7 offenses more than at the same time in 2008.

Report Analysis:

There were 54 assaults reported; 7 of those were aggravated. Thirty-six of these incidents involved family violence.

Overall, burglaries decreased by 22 incidents; habitation burglaries decreased by 15 incidents. Of the 16 habitation burglaries reported, force was used to gain entry in seven homes and the burglar entered through the garage or an unlocked door or window in seven homes. There were no signs of forced entry so it is unknown how entry was made in two homes.

Building burglaries decreased by 7 incidents. Five of the 13 buildings burglarized were in construction sites.

Burglaries of motor vehicles decreased from 68 last month to 46 in August. Fourteen vehicles were entered by force, 25 vehicles were entered through unlocked doors and it is unknown how entry was gained in seven incidents (there were no signs of forced entry).
